

FLEXIBLE OPPORTUNITIES FOR THE PHARMACEUTICAL INDUSTRY

Reformed is a Swiss-based marketing company with more than 30 years of experience in the pharmaceutical industry

CONSTANT UPDATING

Reformed covers all therapeutic areas, with a special interest for the latest market developments and technological advances. Our aim is to provide up-to-date market and regulatory support.

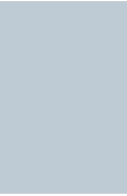

TRADITION AND INNOVATION

For more than 30 years we've been committed to employing innovation across the global generic pharmaceutical business. We are fully integrated in the pharmaceutical industry from intermediates, to APIs to FDFs.

ABOUT US

Refarmed was originally established in Zurich in 1989, with the name Refarmed Research Pharmaceutique

100+ APIs

Refarmed has grown into a privately held multi-service, customer-driven marketing company dedicated to providing a high level of service.

60 market countries

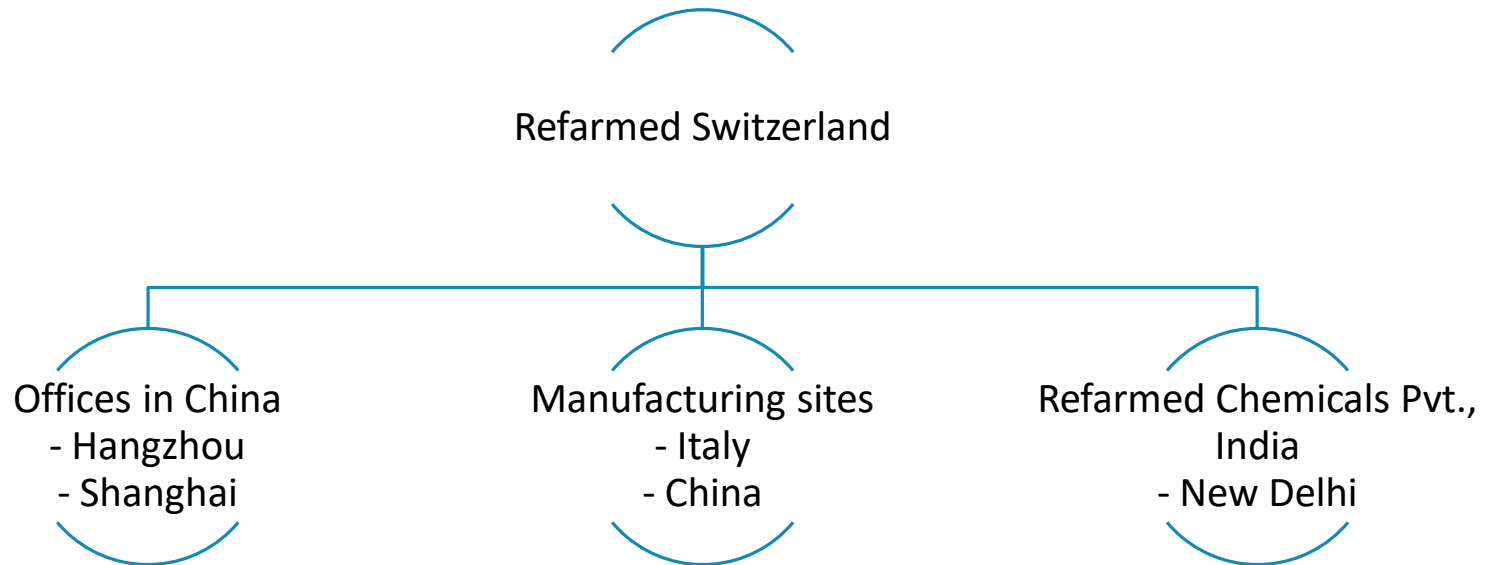

Through its shareholding system, Refarmed's greatest asset is the accumulated experience and professional know-how of the whole team and the ability to create opportunities throughout the pharmaceutical world.

30+ employees

Currently, Refarmed Switzerland consists of 30 employees, including a Regulatory and Quality Assurance team and teams devoted to European and Japanese markets.

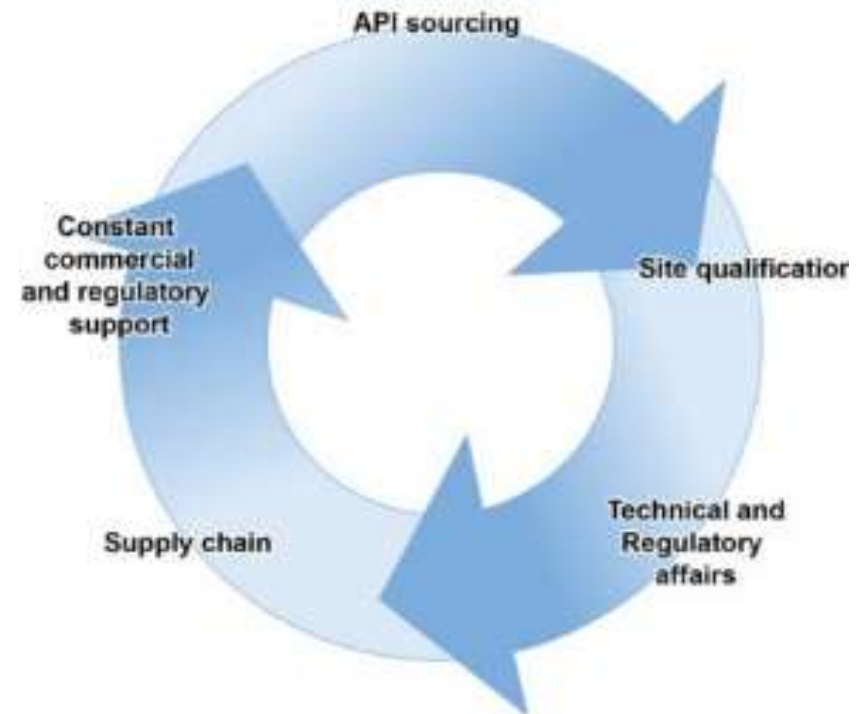

Refarmed's corporate structure that includes several joint venture participations, manufacturing facilities and offices strategically located in Europe, India and China.
